Re: *J.V. et al v. Acer America Corporation, et al.*
Status Conference Adjournment Request
Case No.: 1:19-cv-00804-VEC

Dear Judge Caproni:

This office represents Defendants Acer America Corporation ("Acer"), Micro Electronics Inc., and Micro Center, Inc. in the above-referenced product liability lawsuit. Please allow this correspondence to serve as the parties request to adjourn the status conference tentatively scheduled for Friday, February 7. As Your Honor is aware, Acer has filed a third-party complaint in this matter impleading Panasonic. It is expected the service on the Taiwanese entity will take at least several months. At such time as Panasonic is successfully served, the parties will inform Your Honor and request a status conference so that the remaining discovery schedule can be addressed.

We thank the Court for its time and consideration. Should Your Honor have any questions we would be happy to address same at the Court's convenience.

Application GRANTED. The status conference scheduled for February 7, 2020, is adjourned *sine die*. In the Parties' joint status letter regarding discovery, they must also include information regarding the status of service of Panasonic and whether Panasonic has agreed to waive formal service.

Respectfully submitted,

Daniel Dorfman
